

## GIVE KIDS A SMILE- DATA COLLECTION FORM

Idaho State Dental Association

Please take a few minutes of your time to complete the below form. The data that is collected at the end of February for Give Kids A Smile is used to highlight to policymakers the on-going challenges that underserved children face in accessing oral health care. With good information and data the Idaho State Dental Association can better advocate for common-sense, market based solutions on our behalf. Thank you!

**Dental Office/Practice Name:** \_\_\_\_\_

**Name of Participating Dentist (s):** \_\_\_\_\_

**If event, Event Location:** \_\_\_\_\_ **Event Date:** \_\_\_\_\_
